1. Feel it in the air, re-mem-ber what's been told: A third of the ground out there is our gree-nest gold. Don't waste it, show you care so that peop-le eve-ry - where und-er-stand and see our fo-rest from the trees. you need to act now. plant it in your heart: the simp-le fact of how we can do our part for futu-re ge-ne-ra-tions step up and make a vow 'cause fo-rest mat-ters our time is now.

2. They are homes for plen-ty of spe-cies in the Earth, a live-li-hood to ma-n-y of so much they are worth Use wise-ly what's been gi-ven and give back what you owe we need them for our li-ving, we want our fo- rest to grow. you need to act now. plant it in your heart: the simp-le fact of how we can do our part for futu-re ge-ne-ra-tions-s step up and make a
