## WHAT KIND OF FUTURE DO YOU WANT?

**Send ENO to Rio+20! Voting ends 19 May 2012**

A Message from Mika Vanhanen

Dear Friends,

We are all together a big ENO family, and everyone has their own duties in family. Our 'ENO family' is a role model for the world: we learn and teach how to care for the environment and sustainable development.

The latest ENO song 'Act Now! Forest Matters', sends a strong message to the world about the importance of forests and the need of action. In order to plant 100 million trees by 2017 we need the biggest promotional ways to reach our goal.

Our song 'Act Now! Forest Matters' has been submitted to **Global Rockstar**, a song contest for children and youth about environment. The winning song will be performed at the Rio+20 Sustainable Development Conference. We have to win this contest. This will be the largest event in the history of the United Nations.

We call you to do your part and vote every day, until the voting will end on 19th of May 2012. May I have your support?

Mika Vanhanen, Director Environment Online – ENO
